They can see a lot of craters around the red and powerful rocket.

Trying to catch her, James stumbles and falls in the crater too !

Aaaaaahhhhhhhh !

To be continued...

PART TWO

When they get back on their feet, they are very surprised: they can see a wonderful beautiful space city with tall buildings, red antennas and green lights in every direction.

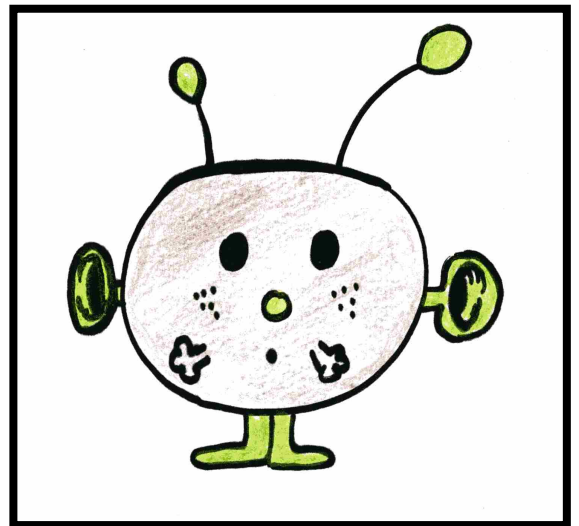

There are also small spaceships flying everywhere!

It is the most extraordinary city that they have ever seen in their life!

They are walking to the city when they see a strange little character in front of them. Oh my God!

It's an alien!

But Clara and James are not scared because the alien looks friendly.

In a strange voice, he says:

« -Who are you? Why are you here? »

Clara and James are very surprised. The alien speaks English!

James says: « -My name is James and this is Clara. We are from the planet Earth. We come in peace. »

The alien invites them to share a big space meal with his alien friends. On the table, there are some funny ingredients, some very strange food: some pink space marmalade, some space chicken and some space jelly that moves on the plates! They eat and drink together. It is a big space party! They also sing songs about the Moon.

James first sings: « FLY ME TO THE MOON
LET ME PLAY AMONG THE STARS... »

Clara sings now: « -TALKING TO THE MOO-OO-OON
TRYING TO GET TO YOU-OU-OU... »

To their great surprise, the alien starts singing in his strange voice:

« -GIANT STEPS ARE WHAT YOU TAKE
WALKING ON THE MOON... »

After a very nice evening together, it is time for Clara and James to go home to Earth. Their alien friend walks back to their ship with them.

But there is a problem: at the moment James turns the engine on, it won't start because they have no more gasoline!

Clara is worried: « -What are we going to do ?

Their alien friend says : -Don't worry. Let me give you some 'Gasomoon'. It is very efficient and very powerful. It will take you back to Earth in a flash! »

It is now the time for goodbyes. Clara and James are a little sad but they are happy too because they have a new friend who lives on the Moon. They exchange a little Earth ground and a little Moon dust as a souvenir.

« Goodbye, beautiful Moon! Don't forget us. We will come back ! »

"Talking To The Moon" by Bruno Mars

Music and English classes

I know you're somewhere out there
Somewhere far away
I want you back
I want you back
My neighbors think I'm crazy
But they don't understand
You're all I had (x2)

Chorus:

At night when the stars light up my room
I sit by myself talking to the moon.
Trying to get to you
In hopes you're on the other side talking to me too.
Or am I a fool who sits alone talking to the moon?

Ohoooo...

I'm feeling like I'm famous
The talk of the town
They say I've gone mad
Yeah, I've gone mad
But they don't know what I know
Cause when the sun goes down
Someone's talking back
Yeah, they're talking back Ohhh

Chorus

Ahh... Do you ever hear me calling?
Ahh...Oh ohh oh oh ohhh
'Cause every night I'm talking to the moon
Still trying to get to you
In hopes you're on the other side talking to me too
Or am I a fool who sits alone talking to the moon?

I know you're somewhere out there
Somewhere far away

Traduction

Je sais que tu es quelque part là-bas
Quelque part loin d'ici
Je veux que tu reviennes
Mes voisins pensent que je suis fou
Mais ils ne comprennent pas
Tu es tout ce que j'avais

La nuit, quand les étoiles éclairent ma chambre
Je m'assois tout seul et je parle à la lune
J'essaie de t'atteindre
Dans l'espoir que tu seras de l'autre côté
En train de me parler aussi...
Oh suis-je un fou, assis, tout seul
Et qui parle à la lune ?

J'ai l'impression d'être célèbre,
La rumeur de la ville.
Ils disent que je suis devenu fou
Oui, je suis devenu fou
Mais ils ne savent pas ce que je sais
Car quand le soleil se couche
quelqu'un me répond
Oui, on me répond

Refrain

Est-ce tu m'entends parfois t'appeler ?
Aaahhhh Ho hou hou ho hou

Car chaque nuit je parle à la lune
J'essaie encore de t'atteindre
Dans l'espoir que tu seras de l'autre côté
En train de me parler aussi...
Oh suis-je un fou, assis, tout seul
Et qui parle à la lune ?

Je sais que tu es quelque part là-bas
Quelque part loin d'ici

"Fly me to the Moon" by Frank Sinatra

Music class

Fly Me To The Moon (Fais-moi voler jusqu'à la lune)

Fly me to the moon
Fais-moi voler jusqu'à la lune
Let me play among the stars
Laisse-moi jouer parmi les étoiles
Let me see what spring is like
Laisse-moi voir à quoi ressemble le printemps
On Jupiter and Mars
Sur Jupiter et Mars
In other words, hold my hand
En d'autres mots, prends ma main
In other words, baby kiss me
En d'autres mots, chérie embrasse-moi

Fill my heart with song
Emplis mon coeur d'une chanson
And let me sing for ever more
Et laisse-moi chanter éternellement
You are all I long for
Tu es tout ce que je désire,
All I worship and adore
Tout ce que je respecte et adore
In other words, please be true
En d'autres mots, s'il te plaît soit sincère
In other words, I love you !
En d'autres mots, je t'aime !

"Walking on the Moon" by The Police

Music class

Giant steps are what you take
Walking on the moon
I hope my legs don't break
Walking on the moon
We could walk forever
Walking on the moon
We could live together
Walking on, walking on the moon

Walking back from your house
Walking on the moon
Walking back from your house
Walking on the moon
Feet they hardly touch the ground
Walking on the moon
My feet don't hardly make no sound
Walking on, walking on the moon

Chorus:

Some may say
I'm wishing my days away
No way
And if it's the price I pay
Some say
Tomorrow's another day
You stay
I may as well play

Giant steps are what you take
Walking on the moon
I hope my legs don't break
Walking on the moon
We could walk forever
Walking on the moon
We could be together Walking on, walking on the moon

Chorus

Keep it up, keep it up
