

Working on the film HIDDEN FIGURES

Talking about habits in the past with *used to* :

Examples :

-In the 1950s, some women used to work for NASA.

-American people used to work on a space program to be the first in space or on the Moon.

-Men working for NASA used to think that women were unable to do the same jobs/ tasks as them.

-Black women working for NASA used to have different bathrooms / toilets.

-Some smart / intelligent black women used to do difficult calculations for NASA before the invention of the first computers.

-Segregation used to be very active at NASA.

-Black women didn't use to think that they could become engineers.

-White people didn't use to be allowed to borrow books from the town library.
